Senior year has come and when I look back on these four years it amazes me to think that they are over so soon. I feel overwhelmed, but at the same time, proud that we have all gotten so far along in this journey called life. During this time, I've made friends as well as lost them. I've loved and have lost and have learned an incredible amount of knowledge from both teachers and personal experiences. One thing my classmates have taught me is that every human being is extraordinary unique in their own way. I'm so happy that I got to know each and every one of you. We made it guys!

Wow! I am finally out of SHS and who else to thank but my parents who have been there with me through my ups and downs thanks guys Also I will never forget my friends KL TR RT JW SP KS CJ PD JP TN MS NR JW CM TO JC GR I will never forget the awesome parties I had with these friends. Hopefully I will be rich when I get older and graduate from a good school. I will never forget my records and PB times for SHS track. Lunch was the best as I got to chill with all my friends and talk to them. Memories I will never forget Josh Hilltop buddy Good times TR RT JP & JW playing halo TR that peanut butter toasted pretty good Ha Ha Hope to see all my friends in the future Lata

Wow! Four years have went by real quick. My Saugus High years are coming to an end and I can't believe it. It felt like yesterday I came to this school as a freshman. I have to thank my mom and dad for being there when I needed them the most. I also want to thank my brother and my two sisters for being there also. The best thing about high school was hanging out with my friends and playing pickle-ball and ping pong after school. I am nervous about moving on but I know where ever I end up, my friends will always support me and my family will help me too. I wish I played for the football team but I had to work and make money for my car and other stuff I will need. Well, I'm running out of room so good luck class of 2003!!!!

I want to thank my mom and my dad, without their help, I would not have gotten this far. I also need to thank my friends. Kelly, without you I would never have met the wonderful group of friends that I have now.

Elaine Barkowsky

Bryan Basler

Well guys we finally made it! I will never forget all of the good times with everyone, MM, MC, BR, BR, Dominos KC, JS, and JV. I'll never forget the nite the soccer team dyed their hair red, rides in the race car, nites at Kelly's and those late nite trips to the ER. Thanx Mom and Dad for always supporting me, I love you. Lisa, thanx for always being there for me, even when I hate you, I love you. Good Luck to the class of 2003, thanx for the memories.

My high school years are finally over, but the friendships I have made will last forever. To the girls, thank you for all the memories: you know who you're BFF 143. To the boys, we've had so much fun together. I'll never forget late night walks w/ NS and KM, soccer w/ JM, TS, NS, and T-DOG, rides in the race car, aka driving with Bryan, classes w/ RM, KF, JM, JO, PS, LD, DG, and AK. I love you all. Mom and Dad, thank you for supporting me and always pushing me to do my best. I love you and don't know what I would do w/o you. Thank you, Nikki, for always being the sister I never had but always wanted. I love you always. To my brother Bryan, thank you for always being there for me, you're the best. I love you. It's hard to believe that 4 years have gone by already. It seems like yesterday I was a freshman wondering whether or not a pool really existed on the SHS roof! Thinking back on my 4 years I have to say that overall it has been a favorable experience. Whether onstage or backstage I've enjoyed every drama club production. I'll never forget the magic of "GodSpell" and the fun times during "The Crucible." As for model U.N. I'll always remember NGos aka N-GOES, driving to Yale in the sunshine Coach, and especially the Bentley Conferences. To my family, thanks for the love and support. To my teachers, thanks for all the inspiration. And to the class of 03, Good Luck and remember to always stay true to yourselves!

"Just because something won't last forever, doesn't mean it won't last a lifetime." Guys it's over! These four years have gone by so fast. To my family: Daddy, Sharon and Mom - you have no idea what you mean to me. You are my guiding light thru the dark shadows of life. Sister, we have become so close & it's awesome! Greg and Richie you are 2 of the funniest kids I know. To the girls: Rachel - you're the best friend I could ever have asked for. LS CP CK - always remember the good times! “...Life ain’t always what it seem to be. Words can’t express what you mean to me.
Even though you’re gone, we still a team. Through your family I’ll fulfill your dreams.
In the future can’t wait to see if you’ll open up the gates for me.
Reminisce sometimes, the night they took my friend. I try to black it out, but it plays again
When it’s real, feelings hard to conceal. Can’t imagine all the pain I feel.
Give anything to hear half your breath. I know you still living’ your life after death.

Every step I take, every move I make
Every single day, every time I pray
I’ll be missing you

Thinking of the day when you went away
What a life to take, what a bond to break
I’ll be missing you

It’s kinda hard with you not around. Know you in Heaven smilin’ down.
Watching us while we pray for you. Everyday we pray for you!
‘Till the day we meet again, in my heart is where I keep you friend.
Memories give me the strength I need to proceed. Strength I need to believe.
...Still can’t believe you’re gone
Give anything to hear half your breath. I know you still living’ your life after death

Every step I take, every move I make
Every single day, every time I pray
I’ll be missing you.

Thinking of the day when you went away
What a life to take, what a bond to break
I’ll be missing you.”
